

*SAY 'THANK YOU' TO A NURSE OR
SUPPORTER OF NURSING
WHO HAS TOUCHED YOUR LIFE!*

*16th Annual Honors for Nursing
Recognizing Those Who Dare to Care*

Since 1994, the Alumni Board of the University of Utah College of Nursing has hosted this celebration of nursing during National Nurses Week, which celebrates the birthday of Florence Nightingale. With 2010 marking the centennial celebration of Nightingale's death, there has never been a more important time to recognize the work nurses and supporters of nursing do to carry on her legacy of care.

Individual nurse recognitions are \$25 and include an invitation for the individual you are thanking to attend the celebratory dinner where they will receive a gift and a certificate of honor.

Reception and Dinner
Tuesday, May 11, 2010
